A – ACIEE – Applied Clinical Informatics Immersion Experience.

B – operational CI leadership role as Associate Director (or equivalent title) for their clinical area.

C – course work takes place at Case Western Reserve University.

* - depends on elective

Site 1 – The MetroHealth System

Site 2 – St. John Medical Center (part of University Hospitals of Cleveland)

Site 3 – The Cleveland Clinic

REQ – Required Core Rotations

- ICI – Introduction to Clinical Informatics
- ACI – Advanced Clinical Informatics
- CAP – Capstone Project(s) (9 blocks total – could also add elective time if needed/desired with PD approval)
- PH – Population Health
- EHSCI – External Healthcare System CI (experience informatics at another program site)

ELE – Potential elective choices (up to 4 blocks total (up to 2 additional blocks could be taken instead of CAP w/ PD approval))
