A – ACIIE – Applied Clinical Informatics Immersion Experience.

B – functions as Clinical Informatics Physician Leader for their clinical area.

C – course work takes place at Case Western Reserve University.

* - depends on elective

Site 1 – The MetroHealth System
Site 2 – St. John Medical Center (pat of University Hospitals of Cleveland)
Site 3 – The Cleveland Clinic

REQ – Required Core Rotations

- ICI – Introduction to Clinical Informatics
- ACI – Advanced Clinical Informatics
- CAP – Capstone Project(s) (9 blocks total – could also add elective time if needed/desired with PD approval)
- PH – Population Health
- EHSCI – External Healthcare System CI (experience informatics at another local healthcare system)

ELE – Potential elective choices (up to 4 blocks total (up to 2 additional blocks could be taken instead of CAP w/ PD approval))

- Billing/Compliance
- Bioinformatics (through Case Western Reserve University)
- CareMesh (External Vendor)
- CareSimple (External Vendor)
- Clinical Decision Support
- Elimu (External Vendor)
- Epic (External Vendor)
- Health Services Research
- Hyland (External Vendor)
- Ovatient (Externa Vendor)
- Personal Health Records
- Pathology Informatics/Pharmacy Informatics/Radiology Informatics/Reporting/Data Analytics
- TeleHealth/Digital Health/Connection Care
- TriNetX (External Vendor)
- WolterKluwer (UpToDate/Emmi/Medispan) (External Vendor)
- Fellow Initiated Elective (work with the Program Director to create your own elective)
