1 – ACIEE – Applied Clinical Informatics Emersion Experience.
2 – functions as Associate Director of Clinical Informatics for their clinical area.
3- course work takes place at Case Western Reserve University.
* - depends on elective

Site 1 – The MetroHealth System
Site 2 – University Hospitals Cleveland

REQ – Required Core Rotations

- ICI – Introduction to Clinical Informatics
- ACI – Advanced Clinical Informatics
- CAP – Capstone Project(s) (8 blocks total – could also add elective time if needed/desired with PD approval)
- EHRU – Electronic Health Record Upgrade
- PH – Population Health
- TEUS – Training and End User Support
- EHSCI – External Healthcare System CI Rotation (experience informatics at another local healthcare system)

ELE – Potential elective choices (up to 3 blocks total (up to 2 additional blocks could be taken instead of CAP w/ PD permission))

- Billing/compliance
- Bioinformatics
- Clinical Decision Support
- Health Services Research
- Hyland (External Vendor)
- Personal Health Records
- Radiology Informatics Reporting/Data Analytics
- TeleHealth
- TriNetX (External Vendor)
- WolterKluwer (UpToDate/Emmi/Medispan) (External Vendor)
- Fellow Initiated Elective (work with the Program Director to create your own elective)
